

2017 Annual Report for Justin's Miracle Field

“Every child deserves the chance to play baseball!”

Justin's Miracle Field is a specialized facility that allows all individuals with disabilities the opportunity to play baseball! With a rubberized surface, Justin's Miracle Field removes the boundaries that are presented by conventional baseball fields. Even those that use a wheelchair or walker for mobility can circle the bases with ease!

Since opening in October 2011, Justin's Miracle Field has been the only facility in south Georgia that offers an opportunity for children and adults with disabilities to participate in a team sport. In each of the two seasons per year, JMF has served over 70 players and has utilized over 120 volunteers per season!

Miracle League baseball is much more than just a game. It is our national past-time in its purest form. It changes lives!
