

A Non-Profit Tax Exempt Organization
Baseball for Individuals with Special Needs

Dear Parent/Guardian,

The Miracle League of Camden County, DBA Justin's Miracle Field, is a charitable organization that provides children and adults with mental and/or physical challenges an opportunity to play baseball. There is something about playing the game of baseball that lights up youngsters' eyes, but for children, youth, and adults facing challenges, that opportunity can often be a difficult first step. The Miracle League removes many of the obstacles providing players with the opportunity to get out in the sunshine and enjoy playing the game of baseball in its purest form.

Many children and adults needed a place to play. So, a specially equipped field named "Justin's Miracle Field" was built at Lion's Park in Kingsland, GA. This custom-designed venue incorporates a cushioned synthetic turf that accommodates wheelchairs and other walking assistance devices and helps prevent injuries. It provides a level playing field where players with special needs can hit, run, and catch - just like their peers.

During each Miracle League game, every player is given an opportunity to hit the ball, advance through the bases, and score a run. The Miracle League of Camden County players are assigned buddies who assist them in hitting the ball, running the bases, catching and throwing.

The Miracle League of Camden County wants to give your loved one the chance to play baseball!

Please fill out the attached application and mail it back to us as soon as possible!
